**Funded Project**

# Great Lakes Information Technology (GLInT) Fellowship Program

---

Project No.	975
Timeline	2014 – 2016
Award Amount	\$125,000
Team Leader	Tim Eder, Great Lakes Commission, <a href="mailto:teder@glc.org">teder@glc.org</a>

---

This was a project design grant where the team: clarified and harmonized the relationships of the various technology initiatives and regional information portals in the basin; established a governance team and developed a business plan for the re-engineering of the Great Lakes Information Network; identified opportunities to bring technological talent to the Great Lakes through a Fellowship Program that would target talent at start-ups and technology firms; and laid the foundation and established governance structures in support of the [Blue Accounting Initiative](#).
